starQuick USA Expands US Distribution with Network of Statewide Distributors

Sioux Falls, South Dakota, July 10, 2006 –starQuick USA, the leader in industrial pipe clamps, announced today that it will expand distribution to its US market.

To aid in this expansion, starQuick USA is setting up a network of statewide distributors throughout the United States. Currently, there are still states available in this network. Anyone interested in being a statewide distributor, visit their web site at www.starquickusa.com, email them at info@starquickusa.com, or call 605-458-2201.

BACKGROUND: starQuick USA is your answer to wire industrial pipe clamp systems. With many years of quality expertise, starQuick USA can accommodate all your company's needs, both large and small. From individual customer analysis and attention, starQuick USA is your number one choice industrial pipe clamps.
